Eugene Carmichael was a phenomenal Bermudian

Dear Lorna and family,

It was a year ago around this time last year that you and Eugene visited us at the Bermuda Senior Islanders' Centre and St. Paul's Christian Education Centre, to promote Eugene's book: "Death is Not the END!"

Our hearts go out to you now that your dearest soul mate Eugene is gone from you, leaving his daughters, son, grandchildren and great-grandchildren.

Eugene was a phenomenal Bermudian, a courteous and wise man with a genuine interest in philanthropy and charitable causes island-wide.

I'm delighted for you that you celebrated your thirtieth wedding anniversary recently, you can now sanctify your memory of Eugene with tender feelings of a lovely milestone in your marriage.

As your love follows him into the next world and the world to come, we pray that our Heavenly Father's love will shine on you, the children, grandchildren and great-grandchildren with plenteous grace and blessings.

In fellowship with our Risen Lord,

Fredrick R. Hassell, MBE
