**Admiralty House and Bermuda Red Cross keeping seniors safe**

**O**n behalf of the Bermuda Red Cross, I would like to express my appreciation to you personally for your support and participation of our community **Family Emergency Planning** presentation to your Senior Islander groups. We are extremely grateful to you and hope that the information we provided to them is useful and assists them to be better prepared and therefore more resilient.

**W**e are not certain if you have this information but we wonder if you have the list of clubs who attended Friday's presentation? We are scheduled to present to some of your clubs and if they were in attendance on Friday we do not wish to duplicate the session. If you are able to tell us which groups were in attendance, this would be very helpful, indeed.

**T**hank you again for your support and we look forward to working with you again in the near future.

**Diane P. Gordon**  
Disaster Manager, Bermuda Red Cross
