Clubs taking an interest in Boccia

Boccia is a precision ball sport similar to boocce, is related to bowls and petanque. The name boccia is derived from the Latin word for "boss"—bottia. The sport is contested at national and international levels, by athletes with severe physical disabilities. The game was originally designed to be played by people with cerebral palsy but includes athletes with other severe disabilities affecting motor skills. In 1984, it became a Paralympics sport, and in 2008 was being practiced in over fifty countries worldwide. Boccia is governed by the Boccia International Sports Federation and is one of only two Paralympics Sports that have no counterpart in the Olympic programme.

Pembroke Seniors on the Roll launched February 2017

The mission of the Pembroke Seniors on the Roll is to provide a friendly environment where seniors can thrive by initiating and participating in social and community based services and activities. They began with two people and slowly increased in number and meetings. Members meet every Wednesday at 11:00 a.m.–1:00 p.m. in the Fellowship Hall, Pembroke Seventh Day Adventist Church Hall, 32 Glebe Road, Pembroke.

Activities embrace tutorials, eye hand coordination activities, memory games, visual perception and many other fun events.

They provide home cooked meals once a month and brown bag lunches throughout the month. The organizers have also planned outings to interesting social and historical sites across the island.

As the word “seniors” implies, people 65 years plus are the targeted population. Come celebrate with us by contacting Brenda Wilson at 707-7607 or email brendavwilson@gmail.com.
