School Students Helped

The Bermuda Youth Library celebrated ten years of entertaining elders with a Valentine's Tea at St. Mary's Hall. Middle School children from Dellwood, Clearwater, Sandys and Whitney joined Warwick Academy to honour seniors at the Joy Club November island-wide. In Somerset children from Sandys Middle School served tea and refreshments to seniors in St. James Church Hall, at an island-wide hosted by the Young at Heart Club.

Volunteer Drivers

We've had a demand for drivers, and we're pleased to have Tanya Smith join Steven Shaw to transport seniors to the weekly craft class. We thank Donna Thomas for coordinating transportation for the group to attend gatherings across the island. Without volunteer drivers, the Centre could not offer this service to seniors.

Crafty Bunch

Tuesday's crafty bunch instructors, Kathy Faries, Lynn Spurling and Louise Langley continue to engage seniors with their creative crafts. We've also had good news that members enjoy their workout with Adrienne Jones and Pat-sanee Budtarapun.

Financial Reports

We thank Ray Jones of Faro Management Solutions for producing Centre Profit & Loss Statements and Balance Sheets pro bono. Members praise Mr. Jones for his steadfast commitment to the Centre.

The Centre could close without notice

The Centre needs an annual grant of \$70,000 to carry on. We've managed to survive with funding cuts for a decade but going on with negative cash flow is unsustainable. Seniors and donors must be aware that the situation is such that the Centre could close without notice.

New board members

Myra Bristol is the Chair Person of the Bermuda Senior Islanders Centre. Canon Thomas Nisbett, OBE, Leslie Virgil and Winston Butler have all retired from the Board after many years of service to the Centre. Rosemarie Yarrum, Frederick Ming, MBE, Jeremy Hassell (Special Projects) and Fred Hassell is the (Secretary/ Provisional Treasurer). The board is responsible for running the operation in line with the Charities Act of 2014.

We're facing difficult times with the overall funding of the Senior Centre, with grants and donations down. Please be available to assist the Board with new fundraising ideas as they try to increase the Centre's cash flow.

Do you enjoy talking to aged citizens?

I enjoy talking with very old people. They have gone before us on a road by which we, too, may have to travel, and I think we do well to learn from them what it is like.
